

Certificate US23/00000529

The management system of

Verici Dx LTD

SGS

393 Nichol Mill Lane, Suite 200, Franklin, TN, 37067, United States Of America

has been assessed and certified as meeting the requirements of

ISO/IEC 27001:2022

Information security, cybersecurity and privacy protection — Information security management systems — Requirements

For the following activities

The Information Security Management System (ISMS) applies to Verici Dx's information management of the systems and infrastructure that process, transmit, and store Verici Dx clinical laboratory operations information. The ISMS excludes laboratory processes, equipment management, development, and product delivery which are managed by Verici Dx's Quality Management System. Assessed in accordance with the Information Security Management System's (ISMS) Statement of Applicability, revision 7.0, dated 03-June-2026.

This certificate is valid from 21 November 2026 until 21 November 2029 and remains valid subject to satisfactory surveillance audits.

Issue 3. Certified since 21 November 2023
